

proxy

We can manage the entire process from beginning to end.

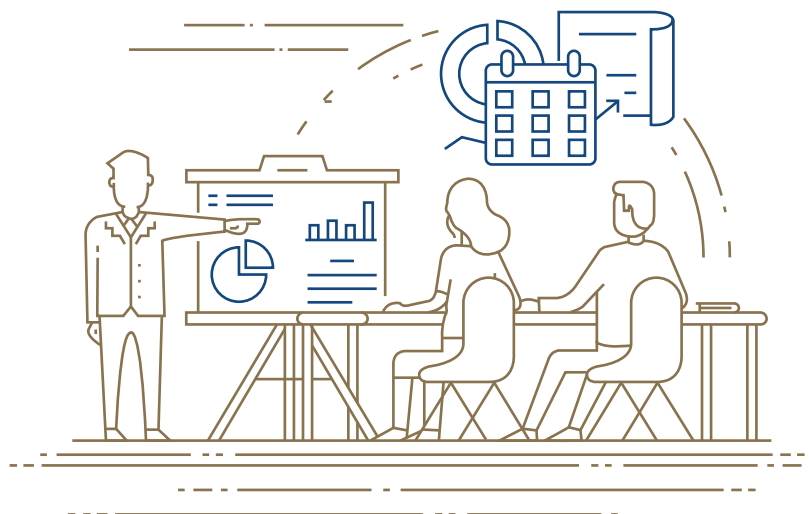

Our variety of voting mechanisms and best processes ensure your success.

When it comes to proxy processing, there's a lot to manage: from changing, complex regulations to tight deadlines that must be met. Whether you're responsible for beneficial or registered proxy communications, Issuer Direct can help you fulfill your regulatory responsibilities with ease and efficiency, enabling you to focus on other responsibilities.

As the leading proxy partner to public companies, financial institutions and mutual funds, our experts can facilitate the process from beginning to end. We provide our clients with the affordable expertise, insight and technology that only Issuer Direct can offer.

We stay on top of changing regulations and protect client data through secure, reliable operational processes and technology platforms.

**And if our client is burning the midnight oil, so are we
— there's an expert on call 24/7.**

Issuer Direct can handle every aspect of your proxy process, including:

- In-house financial printing
- Full-service mailing and fulfillment
- Broker search, distribution and solicitation
- Vote tabulation
- Print and digital distribution
- Proxy platform hosting
- Material requests
- Paper, telephone, and Internet voting services for shareholders
- Global proxy management
- NOBO (non-objecting beneficial owners) list requests

**We're the communications
and compliance industry leader.**

**If you have a question about our services, please contact us.
We're here to answer your questions.**
